

Job Posting 26-022: Fire Alarm Designer – Clayton, NC

BFPE International is seeking a full-time Fire Alarm Designer to join our BFPE Family at our Clayton, NC location. Experienced designers or entry-level applicants with drafting/engineering education will be considered. Training will be provided by our licensed fire protection engineer. Excellent growth potential exists, including code driven design build projects and expansion into suppression system design.

Basic Job Responsibilities:

- Read and interpret blueprints, specifications, and codes.
- Prepare shop drawings/plans using AutoCAD, and that meet applicable codes and manufacturer requirements.
- Prepare submittals using Word, Excel, and Bluebeam Revu.
- Communicate with local officials, engineers, architects, and customers.

Ideal Candidate Qualifications:

- Possess professional business communications skills, both written and oral.
- Self-learner, self-motivated, dedicated, organized, and a team player.
- Proficient in word processing, spreadsheets, Adobe or Bluebeam.
- CAD based drafting experience is preferable.
- Bachelor's degree in engineering or Associate's degree in Fire Protection Technology, Electronics Technology or Electrical Engineering Technology. Other Technology majors may be considered.
- AutoCAD experience preferred. Other drafting programs may be considered.
- Read and interpret blueprints, submittals, specifications, manufacturers manuals, and codes to produce designs and submittals to be reviewed local officials.

BFPE International offers an excellent benefits package: competitive wages, 401(k) program with company match, medical/dental/vision insurance, life insurance, short term disability, long term disability, and paid time off for vacation, birthday, and holidays.

BFPE International is an Equal Opportunity Employer. It is the policy of BFPE International to recruit, hire, train, and promote persons in all job titles without regard to race, color, religion, sex, national origin, age, veteran status, or disability and to base decisions on employment so far as to further the principle of equal employment opportunity.
